GREETINGS FROM GULF STREAMERS INTERNATIONAL OFFICE

It has been a while since we have sent a mailer to all members we show active in our roster. We wanted to let you know that we are planning rallies for 2012. We are looking at the Memphis Tennessee area for a rally and also “The Fabled Black Hills of South Dakota”. At the present time we have a Branson Christmas Rally planned. The flyer and application for our **Branson Christmas Rally** are included in your packet. If you don't already have plans for **October 31-November 5, 2011**, we hope you will join us! There are many other benefits and ideas being discussed to increase membership in the International and also your chapters. Details will be sent at a later date and posted on our website. We are also planning to participate in a pre-rally prior to the FMCA Convention in Indianapolis, Indiana, August 27 to 30th, <http://www.fmca.com/conventions> to find out more about the convention. They are only holding one convention in 2012, where they normally hold two. The vendors and seminars offered are great to participate in, not to mention entertainment of every kind. The pre-rally invites all owners of Gulf Stream RVs. To participate in the rally group caravanning to the Caravan, you will need to join the FMCA Chapter and also the Family Motor Coach Association.

We have some changes to the Streamers benefits, Flying J merged with Pilot and we are enclosing a new card for you. If you sign up online you are able to receive additional benefits that are e-mailed to members on their list. We will change this information in our benefits listing on our application as we use up all the applications we already have printed. We will change the posted information on the internet in the near future. A list of the benefits are listed at <http://www.frequentfueleradvantage.com/benefits.aspx>. Coach-Net announced a new member benefit where members who purchase the Coach-Net plan can access exclusive RV Sites nationwide at Encore Resorts and Thousand Trails. For more information or to get a promo code, call 877-877-0703 or visit their website at <http://www.readycampgo.com> and enter the promo code to obtain the Ready Camp Go Plus Card. Skymed has updated their member benefits and will be sending you a packet in the mail with the new information.

Also, enclosed is our current chapter contact page and listing of the rallies they have planned for the remainder of the year. If you have never participated in a chapter rally, please consider joining one or more of these groups. If you are traveling in the area of a chapter rally, they invite you to join as their guest, space permitting. It is a great way to meet other members and like owners of your product. Don't forget to check the Gulf Streamers website often, <http://streamers.gulfstreamcoach.com>, as we post updates for both the International Club and Chapters. Some of our chapters have direct links to their website where you can review their activities, both past and present. We have a facebook page set up for our members to keep in touch with each other, if you are not currently in our facebook group and would like to be, just send an e-mail to us and we will send you an invitation to join!

Teresa Fischer has been helping with processing your renewal packets and answering phone calls. You may reach her at 800-289-8787 ext. 3067 after 2:30pm to say hello or if you have questions about any information in your packet. Also, if you are no longer interested in receiving information from the Gulf Streamers Club or you no longer own a Gulf Stream RV, please ask to be removed by sending us an e-mail to gulfstreamers@gulfstreamcoach.com or by calling 800-289-8787 ext. 3067 and leaving a message.

We hope to see you at our Christmas Branson Rally or possibly one of our International rallies in the future!

Sincerely,

Bonnie J. Cooper
