Gulf Stream Coach, Inc., and the Gulf Streamers International RV Club is proud to be your hosts during scheduled activities and events. **Bonnie J. Cooper, International Director of the Gulf Streamers International RV Club**, will be on site to greet and assist you during your stay. Also, **Art & Kathy Holmes** our **Rally Host** volunteers for the "End of Summer" Rally in Traverse City Michigan, will also be onsite to assist you at the rally.

All units should arrive at the Timber Ridge RV Resort located at 4050 Hammond Rd E, Traverse City, MI, 49686, 800-909-2327 by 2:00 pm, EST, **Monday August 23, 2010, in order to register and pick up your welcome packet and badges.** Our Rally Hosts will be on-site to help you locate your site and assist with registration and parking, if needed. Once you have checked in at the campground and received your site assignment, ask to be directed to the registration building prior to parking. There, you may pick up your welcome packet and meet the rally host and other volunteers to assist you with parking your RV in your site. If you have made arrangements to arrive early and already parked in your site, please note the dates and times on the agenda to pick up your welcome packet.

Enclosed is your **TENTATIVE** agenda. A final agenda and roster will be included in your welcome packet that you pick up in the designated building where we are holding registration. Once you receive your registration packet, please discard any previous information received as schedules and activities may have changed and we would not want you to miss anything. ***Please review the enclosed trip tips and other information included, as it may answer some important questions before your arrival and help you to plan accordingly.*** There is also a listing of important telephone numbers in the agenda that you should leave at home for emergency contact information. Also enclosed is a copy of the roster of attendees in case you want to make contact with them prior to arrival at the campground to arrange travel schedules with them. We will have two events where you will be asked to supply a side dish, the BBQ lunch and the Potluck Dinner. A sign up sheet will be available at the registration table for you to sign up as to what item you would like to bring. This will assure us we have a selection of items for all to enjoy. Grocery Stores and the closest Wal-Mart addresses are listed on the last page of your agenda, along with other businesses that you may want to visit or contact during the rally.

Your final invoice is enclosed for any remaining balance you may owe. Please remit the balance due along with the YELLOW copy of the invoice to ensure proper credit to your account. A BLUE

receipt postcard is mailed to you once we have received payment in full. Please bring the blue postcard with you to turn in at the registration desk to pick up your welcome packet. If you have not received this blue postcard and have paid in full, please contact me to confirm your payment.
