## RALLY TERMS & CONDITIONS

---

**Deposits:** A \$50.00 deposit is required on rallies/caravans unless otherwise specified. To be valid, your deposit in the proper amount must accompany the registration form. The balance will be billed 45 days prior to the event and is due 30 days prior to the departure date. If no deposit is required, the entire fee is due 30 days prior to the event (or your reservation will be cancelled). If registering within 60 days of a rally/caravan, full payment should accompany your application. If registering after the trip deadline date, a \$25.00 late fee will apply.

**Options:** Registering for rally/caravan options is required with your trip reservation form. Reservations will not be accepted after the trip's reservation deadline, nor can they be added at the event. Payment for options will be due with your final trip payment.

**Cancellation/Refund Policy:** All cancellation notices requesting a refund must be received in writing. The following cancellation schedule applies: Cancellation notices received 30 days prior to a scheduled event will receive the entire deposit (payment) unless otherwise specified. Notices received within 30 days of a scheduled event will be charged an administrative fee of 10% of the complete rally fee, plus any additional incurred costs (if any). Persons failing to attend an event without prior notification will forfeit 100% of the total fees. Refund requests must be made in writing and postmarked within 45 days of the event. All rallies/caravans are complete package tours as outlined in this advertisement. No refunds will be made for any unused portion of the event (unless an arrangement has been made prior to departure). The uniqueness of some rallies and caravans will require a deposit and cancellation schedule different from the one listed. If so, the requirements will be noted in the descriptive literature and/or newsletter.

**Requirement/Changes:** We reserve the right to cancel any event if there is not a minimum of 25 units at least 60 days prior to the departure date. We also reserve the right to make changes prior to and during the event. Changes may involve sight-seeing tours, campgrounds and/or meals. Any changes made are in the best interest of the members participating and/or as a result of circumstances beyond our control.

**Information Packets:** An information packet will be included with your final billing. This will include emergency telephone numbers, a tentative daily agenda and campground directions. A complete trip itinerary, rally roster, international pamphlets and event tickets will be included in your registration packet received at the start of the event. If you full-time in your RV, or will be away from your permanent address during the last 60 days prior to the start of the event, please send an address where we can mail you the final information packet.
