To tell a little bit about our company, we have been doing business with Gulfstream Coach since 1996. We currently have 4 locations, 3 in Bremen and 1 large location on Gulfstream's Property that we have been utilizing since 2001. Our facility has just recently added 3 new paint booths to help fill our needs thanks to our suppliers Martin- Senour Paints and Woody's Paint Spot.

Gulfstream Coach and Mike's Custom Painting have worked very diligently together as a team to give you a quality paint job on your Gulfstream Coach. At this time, we are offering a special discount on any paint work that you may need on your Gulfstream Coach, for example, compartment door repair, scratches, dents, front caps, or overall complete paint re-finishing, and much more.

Thanks from all of us at Mike's Custom Painting for purchasing and owning a Gulfstream Coach. Below you will find our special discount coupon listed, feel free to give us a call anytime and set up an appointment 574-546-2161.
